NAPLAN 2013
Children in Years 3 and 5 are scheduled to sit the National Assessment Program Literacy And Numeracy in mid May. Parents of children involved will find an important notice further in that provides all necessary information. I am available to discuss any concerns about this. Just call the office and a meeting will be arranged.

Regional Swimming
I am very pleased to advise that both Tahlie P and Dylan R were successful at the recent Regional Swimming Carnival and will now progress to the State Carnival. Our other competing student, Joshua R, missed out by a fraction of a second. My thanks again to the very supportive parents who ensure our school is so well represented.

Grandparents Day
We will be hosting Grandparents’ Day for the Grandparents of our children in the K-2 classes on Friday 5th April. The children will be making invitations in class to be sent on. Please give grandparents a “heads up” on this as I know the children are looking forward to the event.

Clean Up Australia Day
This is the only time having such a tidy school is a problem. Rubbish was pretty hard to find.

Winter Sports Representative Trials
We have again entered a Senior (Yrs. 5 & 6) and a Junior (Yrs. 3 & 4) team into the Macquarie Cup Netball and Soccer competitions. On Friday this week Mr Daniels and Mr Edden will do the soccer selections and Mrs Miller will do the netball selections. There are always a great deal of children who try out and miss selection. I know this is quite disappointing for the children but this is a part of life that we all have to learn to accept so some TLC might be needed following the trials. Parents of children selected in the teams will be provided with all necessary information. We will also hold our Cross Country on this day.

Easter Hat Parade
Excitement is building for the forthcoming Easter Hat Parade. This will be held on Thursday 28th March from Noon. The P&C will be having a raffle and might be having a sausage sizzle lunch. I will be able to confirm this next week. At Noon on the 28th all the children assemble in their class groups under our COLA and parade in turn. We also have a parade for the preschool children so they will need a hat. All our teachers will have a hat and parade and I ask parents to join in the spirit and have a hat for the parent parade. We randomly select 3 participants from each group and they receive an Easter Egg type prize. I am asking for donation of Easter Egg type gifts to give out as the prizes. If you can help us please leave your donation at the office.

Please remember to regularly visit our website

DID YOU KNOW?
Did you know the Parents Biz Directory is there to let you promote your business? For a nominal annual fee you can display your business details to your fellow school parents. And if you are looking for a local plumber, cake maker, dog groomer, cleaner, printer etc. use the Parents Biz Directory to find a local parent to help you.

ASSEMBLY
Assemblies are on a fortnightly basis on a Tuesday at 2.15 in the hall. Parents are welcome to attend. The next assembly day will be Tuesday 19th March. The assembly item will be performed by 4M.

Hippity Hoppity Easters on its way...
We are having an Easter raffle this year and Easter basket prizes will be drawn at the Easter Hat Parade.
Happy Hat decorating!

HILLSBOROUGH PUBLIC SCHOOL
UNIVERSITY OF N.S.W. EDUCATIONAL COMPETITIONS PROGRAM 2013

Dear Parents of Primary Students,

The aim of the Australasian Schools Competition is to:

- provide an opportunity for all students to gain a measure of their own achievement in an external assessment situation;
- monitor individual progress in a range of subject-related skills;
- recognise and reward achievement at all levels;
- provide students, parents and teachers with a comprehensive analysis of student performance.

Competitions are specifically designed to test the skills/processes that underpin school curricula in the context of the various subjects.

**Mathematics**  Competition tests the skills of estimation, calculation, investigation & interpretation, analysis & comparison – **Competition date 13 August**

**Science**  skills tested include – observation, reading and interpreting information, prediction, conclusion, experimental design, reasoning and critical thinking – **Competition date 5 June**

**English**  Competition includes questions on vocabulary, language usage, reading comprehension and document data analysis – **Competition date 31 July**

**Spelling Competition**  date 18 June

**Computer Studies**  lists general computer, software and internet usage, basic understanding of hardware, networks and programming – **Competition date 21 May**

**Writing**  Approximately 20 criteria are used to assess the writing. The criteria focus on the characteristics of the genre of the writing task, as well as assess textual characteristics (such as pronouns, conjunctions and tense) and syntax (such as sentence structure and clause pattern). Detailed criteria also measure punctuation and spelling skills. **Competition 17 June**

Entry fee is **$8.00 per competition.** Payments may be by cash, cheque (made out to Hillsborough Public School) or EFTPOS.

Hillsborough Public School entries for these competitions will **close on Friday 22nd March**.

**Late entries cannot be accepted.**

National Assessment Program – Literacy and Numeracy 2013
LETTER TO PARENTS

In May 2013 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by all students in Years 3, 5, 7 and 9 in all government and non-government schools. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy learning of students in all Australian schools.

The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child’s level of achievement. Each student’s level of achievement will be reported against the national minimum standard.

Background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student’s right to privacy is maintained.

The tests will be conducted across Australia for all students from 14-16 May 2013.

<table>
<thead>
<tr>
<th>TUESDAY 14 MAY</th>
<th>WEDNESDAY 15 MAY</th>
<th>THURSDAY 16 MAY</th>
</tr>
</thead>
<tbody>
<tr>
<td>Language Conventions (Spelling, Grammar and Punctuation)</td>
<td>Reading</td>
<td>Numeracy (Number, Algebra, function and pattern; Measurement, chance and data; and Space)</td>
</tr>
<tr>
<td>Writing</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

In the Numeracy tests students do not require any measuring tools such as rulers or protractors. In Years 7 and 9 there will be two Numeracy tests: one where a calculator is allowed and one where calculators are not to be used. For the calculator test, the student should use the calculator that they currently use at school.

**Friday 17 May** – A ‘catch-up’ day is scheduled for students who missed a test or were absent on a test day.

Students may be considered for exemption from the tests if:

- they are newly arrived in Australia (less than one year before the test) and with a language background other than English, or
- they have significant intellectual disability and/or significant co-existing conditions which severely limit their capacity to participate in the tests.

All other students are expected to participate in the tests. Disability adjustments which reflect the student’s normal level of support in the classroom may be provided. Large print, Braille and black and white versions of the tests are available for students with vision impairment.

Access to disability adjustments or exemption from the tests must be discussed with the school Principal, and a parent or carer consent form must be signed. Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents and carers in consultation with the Principal. If you wish to withdraw your child from the tests you must sign a parent/carer consent form. Consent forms are available at your child’s school.

Please make an appointment with the school Principal if you would like further information about your child’s participation in NAPLAN.

Additional information about NAPLAN can be found at:
http://www.nap.edu.au/NAPLAN/Parent_Carer_support/Index.html
