HPS CULTURAL DAY 17/10/14
Principal's Report...

Last Friday we celebrated our Cultural Day. It was a fantastic day with beautiful artworks, wonderful performances and fun and interesting classroom activities. The quality of the artistic talent and the level of enthusiasm we saw displayed was most impressive. My thanks and congratulations go to all the staff, students and community members who put so much effort into our Cultural Day.

Special thanks to NJS Class 7 and Mrs Tydd who worked with 4B for their signing performance

Fabulous performances by our Choirs and the School Band

It really was a great event with a lovely community feel. Thank you so much to all our parent and community members who visited to join the celebration of Creative and Practical Arts at Hillsborough Public!
Another fantastic community celebration is on the horizon, our P&C Spring Fair. Excitement is mounting as lounge rooms and classrooms begin to fill up with crafts and goods to be sold at the Fair. Our Fair promises to be a great family event with lots of interactive games and activities for all the family and plenty of yummy things to eat. Unlike some school fetes our Spring Fair is very focused on our school community with stalls and activities run by our community to directly benefit our school. While we won’t have showground rides we will have footy throwing competitions, a loom band studio, face-painting, a fun photo booth, cake decorating and so much more. A few of our stalls are still hunting for volunteers if you can offer some time please contact the Spring Fair committee at HPSspringfair@optusnet.com.au.

I would like to acknowledge the generosity of the P&C who last meeting voted to subsidise the cost of Interrelate for HPS families. The P&C will sponsor $15 per family, bringing the prices down to $10 for one session or $15 for two. This is a great opportunity for all families to access this quality program.

I am sending out a thank you on behalf of our staff to the Lift Church who supplied a delicious morning tea for us this week. The Lift Church regularly use our buildings for their weekend services.

And finally a big thank you goes to everyone who has taken a role in our whole school planning by filling out a survey. Your feedback and suggestions will help us make our good school even better! Surveys are due by this Friday.

Lost Property
We have a large amount of lost jackets and jumpers in our lost property basket. If your child has any clothing missing please come and have a look.

Thank You
A big ‘Thank You’ to our parent helpers who have helped out covering our new PM readers. If you have any books still at home could you please return them to the office asap.
My incredible body is a terrific app that will be used in classrooms to support Stage 2’s Science unit this term as they learn all about the human body. The app engages students in learning about the brain, digestive system, lungs, skeleton and bones, kidneys, senses, muscles and heart. Each learning element contains kid-friendly information that can be read or listened to as well as graphics that are real and can be zoomed in on and rotated for better views (all images are appropriate). Each element also takes students on an interactive journey through the body based on the body part chosen as well as engaging videos explaining concepts and teaching students great facts and information. This fantastic app has got a price tag of $6.50 however it is worth the price if students have an interest in additional learning. HPS picked up this app as a freebie earlier in the year, so keep your eyes peeled in iTunes for a reduction in price.

When kids ask “the” questions...

Interrelate has the answers!

Interrelate’s high-quality Sexuality and Relationship Education program is coming to your school! With over 85 years’ experience in this field, Interrelate has a reputation for providing excellence in sexuality and relationship education. Today, over 41,000 students and family members participate in Interrelate School and Family programs each year.

Many parents find it hard to discuss questions relating to sexuality education. We know how to break the ice. Interrelate programs are interactive and family focused, and are conducted by highly trained and experienced educators, who adhere to a strict code of ethics.

Session 1: Where did I come from? (1-hour session, years 3-6)
This session educates children more about how their bodies work and the differences between males and females, including their understanding of conception, fertilisation, foetal development and the birth process.

Session 2: Preparing for puberty (1-hour session, years 5-6; years 3-4 at parent’s discretion)
This session prepares children and parents/caregivers for the physical, social and emotional changes associated with puberty, and addresses changing emotions and relationships with families and peers.

SCHOOL PLAN 2015-2017
PARENT AND COMMUNITY SURVEY

We are currently working towards our next triennial school plan and are very keen to get input and ideas from our school community. This is your school and we need and value your feedback in order to continue to build on our success.

We are looking for your response to these three simple questions:

What does our school do well?

What could we improve on?

What else could we be doing?

You can also complete this survey online via the following link https://www.surveymonkey.com/s/VLGBGF7

Please return surveys via the Office letterbox by Friday 10th October

With thanks,
Lucinda Farrell
