NED Show
Yoyos
Dear Parents/Caregivers
The NED show last week was a huge hit with our students. Yo-yoing throughout, NED and his friends discussed how to achieve and be resilient, sharing the message to **Never** give up, **Encourage** others and **Do** your best. Looking around our COLA this week, it has been wonderful to see the number of children (and quite a few grownups) enjoying their yo-yos and mastering tricks. The supervised playground ‘Yo-Yo Zone’ will continue throughout this week.

Congratulations to our debaters and public speakers who have performed this week. While our debating teams are still yet to have a win, they have had some hard fought matches and are continually developing their skills and confidence. Our Early Stage One and Stage Two public speakers have competed at Zone competitions. They have all done amazingly well, making us very proud and we are delighted to congratulate Callan P who earned a Highly Commended for his speech. We wish the best of luck to those who are still to compete.

Finally, it is time to start getting excited about the Spring Fair. Our P&C are doing a fabulous job getting the Fair underway. Each of our classes will have some involvement in organising and supporting stalls at the Spring Fair. It promises to be a great afternoon!

CADET REPORTER

Congratulations go to Blake C-L whose work recently appeared in the newspaper. His article is included below.

**Injuries all for the love of the game**

By Blake Chilcott-Laughton

Without a doubt, my favorite sport is rugby. I love the result, the struggle, the tactics and the technique. Unfortunately this comes with a price for players. Many professional footballers encounter injuries throughout their careers, including sprains, dislocations and broken bones, and the consequences of these are lifelong.

Diary of a 3M kid...

Every day in 3M we learn new things and have lots of fun. Science is one of our favourite subjects!

We ❤ Science experiments!

3M are also great cooks. We have cooked bread and cheesy mite scrolls. We even won the ‘Crunchiest’ award in the Stage 2 ‘Our Kitchen Rules’ competition!
Inside our classroom there are lots of lovely art works. We have learnt all about Andy Warhol and Van Gogh. We also spent some time with Newcastle Junior School learning about art and making new friends.

3M and our friends from NJS

We are all smiles at HPS!
This Week's Featured App

Friends of Ten is a great app for our younger students who are learning combinations of 10 to support Mathematics skills. The app provides five different learning options for students, using ten frames and counters that can be dragged into place resembling hands on activities enjoyed at school. Friends of ten explores addition and subtraction to ten as well as number recognition. Each instruction is read aloud to students, making it very user friendly for all students. This is a cute and fun app perfect to help young students.

I am passing on information about the popular Variety Playground at Speers Point that will be of interest to your families. The park will be closed for a short period of time to allow Council to carry out routine maintenance works to ensure it remains in a well-maintained state for users.

The playground will be closed from Monday 11 August until Friday 22 August, while we complete maintenance works such as returfing, replacement of the rubber soft fall, painting of the equipment, repairs to timber structures and renewal of footpaths.

During this time, we encourage residents and visitors to use one of our many other family-friendly facilities, such as:

- Vermont Place - Warners Bay
- Allen Park - Jonathan Street, Warners Bay
- Bunya Park - corner Macquarie Drive and Cherry Road, Eleebana
- Thomas H Halton Park - Macquarie Drive, Croudace Bay
- Warner Park - corner John and Lake Streets, Warners Bay
- Nanda Street playground - Nanda Street, Marmong Point
- Toronto Foreshore - Victory Parade, Toronto

Should you require further details on the temporary closure or the maintenance works, please contact Council on 4921 0333.
