Dear Parents and Caregivers,

Our school is currently filled with Primary class teachers sharing and celebrating their students’ amazing writing. This is due to Power Writing, a new teaching program we are implementing this term that is designed to improve our students’ ability to write engaging and descriptive complex sentences. Teachers explicitly take their class through the steps necessary to produce this highly effective writing and students are taught several ‘rules’ that will make their sentences so much more powerful. Power Writing began only last week and we are thrilled to be already seeing results like the examples included below:

One dark and gloomy morning the nice and friendly penguin swam quickly away like the Flash vs Superman in a race. Mason Y3

On a hot summers day the stylish, angry teacher ran away from the yellow and black bee like a bull chasing a red t-shirt. Jorja Y3

On a cold, snowy day the girl kicked the ball powerfully like a bullet. Kobe Y5

Last Thursday our debaters competed against Belmont Public School, arguing that ‘we buy too much’. While we were defeated on the day, it was a very good debate that demonstrated a high level of thought, persuasive skills and great public speaking.

In fact, great Public Speaking is a feature of classrooms around our school at the moment, with our school Stage Finals to be held next Thursday 30th July. The Stage 2 and 3 Final will be held from 9:30am and the Early Stage 1 and Stage 1 final will commence at 12pm. All finals will be held in the School Hall and parents are most welcome to attend.

Thanks go to our local PSSA [Primary School Sports Association] who donated $100 towards Josh R’s trip to the Pacific School Games in Adelaide this November, where he will represent NSW in swimming. Raffle tickets to support Josh are available in at the school Office; $2 a ticket and some excellent prizes available. Keep your eye out for news of the out of uniform day to support Josh later this year.

This Friday, as part of our Primary Sport, students who are not involved in the PSSA competitions will participate in an afternoon of cricket coaching, courtesy of Milo Cricket. Students will work with specialist coaches to develop batting, bowling, catching, throwing and agility skills. This is sure to be a fun and educational afternoon. Our thanks go to Mrs Pike who was instrumental in organising this opportunity for our students.

Our Education Week Assembly will be held next Tuesday 28th July at 2:15pm in our School Hall, everyone is welcome.

I would like to take this opportunity to recognise the ‘Welcome to Country’ that was part of our school assembly yesterday. The Welcome to Country is given by a member of the Aboriginal community and just like the ‘Acknowledgement of Country’ is a way to show respect for Aboriginal cultures and heritage. Our Welcome to Country has been devised and will be given by our more senior Aboriginal students under the guidance of Ms Ridgeway. We are proud to be able to recognise and celebrate our students and their culture in this way.

SAVE THE DATE
FRIDAY 30TH
OF OCTOBER

This year’s major fundraiser will be a Fun-Runathon held on Friday the 30th of October in the school grounds. It will be an exciting event where the children will be encouraged to run, jog or walk around a fun course. All parents, grandparents and caregivers are welcome to attend. All funds raised will be put towards the construction of a new netball/basketball court.
If you would like to get involved in the planning for this event or have any ideas please come along to our fundraising meetings in Term 3 or contact Ansley on HPSfundraising@optusnet.com.au

Chicken Pox
We have had reports of quite a few children with chicken pox so far this term. Please be on the look out for any spots that may also look a bit like a blister. Chicken pox are highly contagious. Find further in an information sheet regarding chicken pox.
Late Arrival & Early Pick Up of Students

Parents/carers are advised that children who arrive late to school need to come to the office to get a “Late Arrival” note.

If you are picking up your child early from school, parents/carers or a designated person MUST come to the office to get an “Early Leaver” note before collecting their child.

School Banking is on MONDAY

Due to price increases Nacho Dippers are now $3.50.
We’re back and busy! Kindergarten is off to a flying start this term with groups and all Key Learning Areas underway already. We are on the countdown to our exciting trip to Blackbutt on a BUS!! More information will be coming home soon regarding the excursion Wednesday the 12th August. As we are going to be seeing lots of Australian animals in Science we are talking about habitats and how animals use their senses. Our HSIE unit this term is all about ‘Our Place’ and where we fit in the world. We have already produced some great artworks based on these themes. This week Kindergarten has been performing their speeches and the teachers have been very entertained with the variety of topics chosen. We now know more about apples, butterflies, Minecraft and Sonic Dash! We look forward to seeing you all at the Hillsborough School musical at the end of the term.................so exciting..................we are keeping the Kindergarten act a secret so you can be surprised!
Chickenpox is a common viral infection that can reappear later in life as shingles.

**What is chickenpox and shingles?**

Chickenpox and shingles (varicella-zoster) are a highly contagious virus and a member of the herpes family. The disease is usually mild in children but can be more severe in adults and can cause serious illness.

The adult form which most commonly occurs is shingles. Complications can include meningitis and pneumonia. In rare cases it can involve the joints and other organs.

**Signs and symptoms**

For chickenpox:
- Mild fever
- Runny nose
- Fatigue
- General rash.

For shingles:
- Painful skin eruptions that generally appear on 1 side of the body.

**How is the virus spread?**

Shingles is spread by direct contact with an infected person. Chickenpox is spread by coughing and direct contact with an infected person. Children are usually infectious 2 days before the rash appears.

**What is the risk of transmission?**

People rarely get chickenpox twice, whilst shingles occurs more commonly in aged people and individuals that are immunosuppressed.

Shingles is a reactivation of a previous chickenpox infection. Most people have had chickenpox as children and are therefore at greater risk of contracting shingles as adults.

**What precautions can you take to avoid the virus?**

- Practice good personal hygiene by covering the mouth and nose when coughing or sneezing
- Disposing of soiled tissues
- Washing hands carefully
- Not sharing eating utensils, food or drinking cups
- Pregnant women should avoid contact with anyone with chickenpox.

**How is chickenpox and shingles prevented?**

- Childhood vaccination programs
- People with chickenpox should avoid contact with others and not attend work, school or childcare until 5 days after the onset of the rash when all blisters have crusted.
