Term 2 Week 1

Dear Parents and Caregivers,

Welcome back to Term Two at Hillsborough Public. I hope you all had an enjoyable Easter break and are ready for what promises to be a very busy term ahead.

Our term got off to a flying start even before our students returned, when staff from three local schools joined with our teachers on the School Development Day to begin training in ‘Focus on Reading’. This is a quality professional development course that works to improve the teaching and learning of Reading and Comprehension.

We welcome Miss Amber Hughes and Mrs Lisa Noble to our school. They have settled in very quickly and are enjoying getting to know their classes.

This week the ‘Sports for Life’ program will begin for our primary classes as does the PSSA Netball competition. Classes have been arranged so that our team sport players can also be involved in the ‘Sports for Life’ gymnastics program.

This Friday we also have several students attending the Zone Cross Country event, they will be accompanied by Mr Daniels and we wish them all well.

Finally, I just want to say how very pleased I am to have the opportunity to relieve as Principal. I am eagerly looking forward to working with our quality teachers, our enthusiastically supportive community and our amazing students to make our good school even better.

ANZAC Day Service

ANZAC Day is celebrated on the 25th of April each year and is an important date in Australia’s calendar.

Even though the service was late it still brought the spirit of ANZAC to us. This is the 99th anniversary of Anzac Day and even though it wasn’t as big as the celebration in Canberra, it was still big to us. The ceremony started off with the school captains telling the story about what ANZAC meant.

Throughout the week everyone started making poppies. Just before the ceremony began everyone placed their poppy in the ground near the school flag pole. Everyone paid their respects and overall it was a great ceremony.

The **Guess Who** app is the game just as you remember it, but this time it is on a tablet. The beauty of the game is that it engages students in using descriptive language which supports students’ English skills. Students can play against the computer or each other for loads of fun!
